MOLINO Through history

The Molino Stucky, once a flourishing flourmill, is now internationally recognised as one of Italy's iconic pieces of industrial architecture.

Beautifully restored, it now houses a hotel unlike any other, offering a unique point of view of Venice.

Making Moments

Making Moments is the brand-new concept available at our Hilton hotels in Italy, providing a new level of experiences for large events, corporate meetings and private celebrations alike.

A complete F&D offering showcasing the creativity of the chefs who can turn a simple dinner, aperitivo or lunch into a truly unique and unforgettable experience.

Carefully curated menus, exceptional locations and varied tasting methods within a portfolio of destinations and hotels suitable for different requests and needs.

The Making Moments proposition includes:

BANQUET ROYALE

Refined dinner and astounding entertainment to engage and amaze a large audience

MY DINNER PARTY

Capable of creating an intimate and relaxed atmosphere among friends or family

MIX & MINGLE

An informal service and a selection of finger food, bubbles and innovative cocktails

Street Food Festival

A gastronomic journey in which different food stations offer a selection of dishes from all over the world

LIVE STATIONS

An interactive experience where chefs are the star in the live preparation and personalization of dishes in front of guests
